**General Excavating (see attached)**

Contact: Jennifer Strohmyer <jstrohmyer@generalexavating.com>

We are going to need someone to fill this position as soon as possible. It is a yard position primarily. This person MUST be customer service oriented. They must have a clean background (for deliveries to customer's homes) and MUST have a clean driving record. We will train the right candidate, but a knowledge of a skid steer or other heavy equipment would help us out quite a bit. We are needing to fill an immediate void. They will be loading rock, or mulch, or any other aggregate into customer pickups, dump trucks, etc. This person MUST be able to use a rubber tire wheel loader. It is a retail environment; in addition to M-F, they will also be working Saturdays from April through October. The guys rotate weekends off. It would be a HUGE bonus if they could also help in the office back there, so some computer experience would also be a big plus.

**Lincoln Fire and Rescue**

Contact: Christopher G. Gutierrez [CGutierrez@lincoln.ne.gov](mailto:CGutierrez@lincoln.ne.gov)

LFR is recruiting for Firefighter/Paramedic and Intern positions!

<https://lincoln.ne.gov/city/fire/employ/employ.htm>

**Advantage Staffing (see attached)**

Contact: Elaine Dlouhy [elained@advantagestaffing.com](mailto:elained@advantagestaffing.com)

Hiring for harvest help, powder coating, MIG Welder, CNC, House Cleaner, pre-certification specialist, Medical Biller, HVAC Tech, Direct Care Provider, Warehouse Worker

**Molex**

Contact: [ann.langemeier@molex.com](mailto:ann.langemeier@molex.com)

Part-time jobs available as well as info: I wanted to reach out to you to let you know that Molex just adopted a new talent acquisition software which means our application website has changed. The site can still be reached by navigating from our main [www.molex.com](http://www.molex.com) website to the careers page but the direct link is now <https://jobs.kochcareers.com/search/molex/jobs>. This will also mean that anyone who has applied with us in the past will need to create a completely new login and build a new application profile. We did recently open up a few part time opportunities (one of which is live on the site and a couple more which will be before the end of the day today).
